

I will agree to teach lessons at your home under the following conditions:

1. A piano in good tune must be located in a quiet, clutter-free environment, free of distractions from siblings, pets, TV, radio, phone or kitchen noises.
2. Students should be dressed, hands washed, and music in place at the lesson time. Shoes are recommended if the pedal is used.
3. A parent or guardian must attend lessons for children 7 and under to observe and take notes. There must be no distractions for the parent or the student.
4. Students must attend group classes held monthly in my home (parents generally do not need to stay for group classes but must pick up their children when the hour is up).
5. A travel fee based on \$1 per mile must be paid at each lesson. For example, if you are 3 miles from my home, the charge would be \$6.00 for the round trip. This fee can be paid by cash or check at the time of the lesson and is separate from your monthly tuition.
6. If I decide at any time that the arrangement is not working out, you will need to bring the student/s to my house for the remainder of that month, and for any lessons after that, if you wish to continue. There will be no refund given for tuition that has already been paid.
7. In case of inclement weather, the lesson may be canceled and will not be made up unless we can find a convenient time at my house or yours.
